

# SNOW WHITE AND THE SEVEN DWARFS

“Mirror, mirror on the wall, who’s the fairest of them all?”

Actually, the most interesting characters in this fairy tale are the dwarfs, not Snow White or her evil stepmother. But mining can’t be such a fun job for them. Too dirty and too dangerous! And then there are their names! Doc, Grumpy, Happy, Sneezy, Bashful, Sleepy, Dopey. Boring! Can you think up a great new job for the dwarfs and also names for them that are clever and appropriate?

**Challenge:** Imagine a creative and entertaining business for the dwarfs (played by your team members) and a funny name for each of you.

**Time:** Part One: You will have 3 minutes to invent a new occupation and new names for each of your team members (“the dwarfs”) and develop a short performance to demonstrate both new aspects of dwarf life.

Part Two: You will have 1 minute to perform your skit for the appraisers.

**Materials:** a sheet of paper and a pencil (for planning your solution only)

**Scoring:**

- up to 30 points for the creativity of the new job
- up to 30 points for the humor of the new names
- up to 10 points for the integration of the names and the job
- up to 10 points for the effectiveness of the presentation
- up to 20 points for positive team work
