

## LEFTOVER MAKEOVER

Thanksgiving is over, but the refrigerator is still full. Too bad it is jammed with food that no one really wants to eat! (Think “Brussels sprouts”....) What items might be hidden in your refrigerator? How can you use up this stuff in a productive way? I really hope your team can quickly come up with a new idea!

**Challenge:** Invent a new use for the Thanksgiving leftovers in the refrigerator. Then draw a picture to help explain your innovation to the appraisers.

**Time:** Part One: You will have 5 minutes to create a new use for Thanksgiving leftovers and to sketch an appealing drawing of your breakthrough.  
Part Two: You will have 1 minute to present your solution to the appraisers.

**Materials:** 3 pieces of plain paper  
color markers (may not be included in the solution)

**Scoring:** up to 30 points for the creativity of the new use for leftovers  
up to 30 points for the creativity of the picture  
up to 20 points for the creative use of imaginary materials  
up to 20 points for positive teamwork
