

MINNESOTA

The mice are a little tired of visiting scenic sights, so they have decided to go shopping. Luckily, they are close to Minneapolis where the fifth largest retail chain in America began. The mice won't have any trouble finding the mega-store because it has a big, red bull's-eye on the front! This sign is so cool that the mice think they may also want a spectacular logo for their little group!

Challenge: Design and draw a logo that identifies your team.

Time: Part One: You will have 4 minutes to invent a logo that introduces your team and to sketch it on a piece of paper.

Part Two: You will have 2 minutes to show your logo and explain its significance to the appraisers.

Materials: color markers
a piece of white paper

Scoring: up to 50 points for the creativity of your logo
up to 25 points for the how well the logo represents your team
up to 25 points for positive team work
