

CreateME Announcement

It is with deep regret and heartfelt sadness that CreateME, the Maine affiliate of Destination Imagination (DI), announces its dissolution at the end of the 20/21 season. This means that CreateME will no longer administer the DI program in Maine following Global Finals 2021.

Since its inception in 1999, CreateME has had an impact on the lives of thousands of Maine students. CreateMe/DI has provided a safe and fun avenue to build students' confidence and develop their creativity, critical thinking, communication, and teamwork skills using the principles of STEM and STEAM.

We understand the profound impact DI has had, and continues to have, on students. Unfortunately, due to a steady decline in student and volunteer participation over the past several years, the CreateME board determined that it is no longer feasible to continue.

We wish to express our heartfelt appreciation and thank all of our volunteers, including team managers, appraisers, tournament volunteers, and board members, who made DI a truly exceptional experience for our participants. Please know that you have made a difference in the lives of many young people.

Finally, we would like to thank all the students who have participated over the years. We hope that you take what you have learned with you and use the principles throughout your lives. We will take the memories you have given us and hold them close to our hearts.

Remember, no matter what happens in the future you can always say, I do DI!
