

# TENNESSEE

The mice have been on the road all season, visiting DI friends and interesting places around the United States. They are coming to the end of their trip and have almost made it to Knoxville for Global Finals. They can't wait to get there and meet new friends from around the world! The mice are only missing one thing: pins to trade!

**Challenge:** Design a pin for the mice as a souvenir of their road trip.

**Time:** Part One: You will have 4 minutes to design and draw a sample for a pin that the mice can trade at Globals. Their theme is "Instant Challenge: American Road Trip."

Part Two: You will have 1 minute to show your design and describe its theme and features to the appraisers.

**Materials:** two sheets of plain paper  
colored markers

**Scoring:** up to 30 points for the creativity of your design  
up to 30 points for the integration of the theme into the design  
up to 20 points for the effectiveness of your presentation  
up to 20 points for positive team work
